MILLS POND

L1604-AGB/CSI-CE

HUDSON VALLEY LIGHTING

Charming and fun, Mills Pond reminds us not to take things so seriously. Three oversized tubular shapes form the tripod-like base of this delightful table lamp. A white linen shade in a similar size and shape to the base provides a soft light and a sense of balance. The aged brass finish paired with the satin ivory base adds just the right amount of subtle sophistication.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
