

HENNIKER

L2871-PBR

HUDSON VALLEY LIGHTING

An industrial take on a mushroom silhouette, the Heniker table lamp is marked by all-over geometric faceting. The surface texture is expressed on both the shade and base, which is particularly evident along the edges of the Patina Brass version. The Soft Black finish lends a more contemporary, graphic aesthetic. Standing just 8.5 inches tall, this petite rechargeable lamp is well scaled for bookshelves, bistro tables, and other small spaces.
