JEFFERSON HEIGHTS

L3962-AGB

HUDSON VALLEY LIGHTING

The Jefferson Heights lamp family introduces a playful rhythm to transitional interiors through sculptural turned wood. Slender saucers alternate with rounded spheres to form the totemic oak base. Both the table and floor lamps are paired with wheat linen drum shades tha harmonize with the organic character of the wood. Aged Brass-finished hardware completes these artful lamps.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
