HUDSON VALLEY LIGHTING

A classic mid-century modern column lamp receives a contemporary update in Crestwood. The all-over fluting of the ceramic base adds a layer of dimension to the straightforward silhouette. A large linen drum shade imparts a fresh, airy feel, while an Aged Brass finial and stem provide refined warmth.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

*Lamp includes its standard shade. Personalize the look with an optional shade add-on, sold separately.
