KENSINGTON

HUDSON VALLEY LIGHTING

Kensington reimagines Mark D. Sikes' Clivedon family by introducing the natural beauty of walnut wicker. The heritage feel of these fixtures stems from their artisanal craftsmanship, Aged Brass accents, and classic design details like a slender gooseneck arm. An instant classic, Kensington is designed to be layered with other pieces in the same family. Available as a sconce, pendant in two sizes, and a 5-light chandelier.
