SPHERE NO.2

MDS751-DB

HUDSON VALLEY LIGHTING

Steeped in old-world intrigue, Sphere No. 2 by Mark D. Sikes exudes a lasting sense of style. A large globe pendant is split between an upper metal cap and a lower glass hemisphere, creating a striking material contrast. Three decorative linked chains suspend the fixture, lending it a transportive, almost medieval jewelry-like quality. Available in four sizes in Aged Brass or Distressed Bronze.
