

LENARK

PTL5230-BRZ

Inspired by the ancient cairns of Scotland, Lenark features two organic stacked forms that embody balance and strength. The rugged asymmetry is grounded by an elegant plinth, a signature element in artist Chandler McLellan's work. Crafted with dark-stained mango wood and accented with bronze, Lenark seems to defy gravity as it translates an artistic vision into a functional piece of home decor. Part of our Chandler McLellan collection.
