

# GARETH

RTL6723-PBR/TBK

Drawing inspiration from traditional lanterns, this family of sleek exterior fixtures includes sconce and a portable lantern in multiple sizes. Elongated silhouettes and a mixed-finish combination of Textured Black and Patina Brass give these lanterns a contemporary update. While Gareth is equipped with a single chunky pillar candle for a timeless look, the light source is actually a lightweight aluminum puck with LED technology housed the bottom of the glass cylinders. Gareth is available as both a sconce and a portable lantern in multiple sizes. The portable option is rechargeable and includes a convenient handle for easy transport.
