

SHELBURNE

SH125515-RD/BL

Lovingly named after a quaint East Coast town where this particular weaving style was born, the Shelburne Cotton Coverlet's distinct design blends and layers color to create a unique, geometric pattern while double-woven cotton grants a soft yet substantial texture allowing for easy reversibility. Ideal for adding character to your space, this early American weaving-inspired coverlet makes for an excellent addition to your home no matter the season.
