AURORA

SH148278-DU-ST

SCHOOLHOUSE

The Aurora Chandelier bends the rules in all the right ways. Hand-formed metal arms stretch asymmetrically across your space to create a graceful, artful line of color and light. Delicate etched glass globes appear to float in midair, creating a sculptural form that feels both surprising and perfectly at home. Designed for real life, Aurora comes with a set of fixed-length rods to suit a range of ceiling heights.
