SH149135-CT

SCHOOLHOUSE

A model of functional beauty, the 5 Hook Peg Rail's uncluttered design blends well in a variety of environments. Clean lines and a minimal profile make it great for hanging side by side for additional storage or at multiple heights for kids and adults. Made from locally sourced solid maple and oak, it features five rounded pegs and two keyholes for mounting. Crafted by a small, family-owned company in the foothills of Pennsylvania's Allegheny Mountains.
