MANSFIELD

1320-AN

HUDSON VALLEY LIGHTING

Visitors to Versailles are eased into the palace through bare limestone foyers in a clean neoclassic style. The only hint of the incomparable lavishness that lies ahead comes from a series of shining, barrel-shaped brass lanterns, crowned with curvaceous bell tops. Best appreciated in the round, our Mansfield collection faithfully reproduces the memorable fixtures that still usher guests into the regal splendor of France's premier château.
